

# I'm Back!

I've missed you this year, but now I'm back to play!  
I'll be staying again until Christmas, Day.

I'll keep watch during the day, then at night I'll take flight  
to report back to Santa (your good deeds) each night.

So be sure to be good, and I'll take care of the rest.  
together we'll make this Christmas, the Best!
